**Addendum #2 To
Request for Proposal
For Water Infiltration Program for Mortuary Science: Project Mortuary Science (065-400479)**

Dated May 13, 2025

The Addendum must be acknowledged on your lump sum bid.

A question was raised after the Pre-Bid meeting held on **May 20, 2025**, at **10:00 a.m.**, for the University's **Water Infiltration Program for Mortuary Science: Project Mortuary Science** Project **065-400479** for the **Facilities Planning & Management**. The question asked, and the University's response is as follows:

Question: The project drawings and specifications call for Peda-Gard by Neogard for the balcony pedestrian coating. However, the specifications don't mention whether an approved equal from another manufacturer would be acceptable.

Could you please clarify if a pedestrian coating that is equivalent to Peda-Gard but produced by a different manufacturer would be considered for approval?

Answer: "Substitutions are allowable with prior approval from Intertek & WSU. Specifications for proposed materials must meet or exceed specified product."

Question: In the general notes there are references on materials that say "... up 27 SF."

Answer: The answer is that all contractors should use the higher known number ("27 SF") in their bid.

NOTE: You must have attended a pre-bid conference in order to be eligible to bid on a particular project. Receipt of minutes or addenda without being at a pre-bid conference does not qualify your company to bid.

A copy of this Addendum will be posted to the Purchasing web site at
<http://go.wayne.edu/bids>.

All questions concerning this project must be emailed to: **Brandy Gaines**, Procurement & Strategic Sourcing. Email: **Rfpteam1@wayne.edu**.

Bids are due **by electronic submission on** no later than 2:00 p.m., **June 03, 2025**. The link for bid submission will be posted with the bid details at <http://go.wayne.edu/bids> beginning **May 13, 2025**.

Thank you,

Brandy Gaines,
Senior Buyer
