Addendum #6 for Request for Proposal
For Campus Health Clinic Relocation: Project 122-293203
Dated January 2, 2018

The Addendum must be acknowledged on your lump sum bid.

NOTE: You must have attended a prebid conference in order to be eligible to bid on a particular project. Receipt of minutes or addenda without being at a prebid conference does not qualify your company to bid.

Please find the following questions and clarifications with regards to the above RFP opportunity.

Question 1: Can you please clarify this. If Schambaugh only provides the fire protection mains and not branch lines with upright protection in your “white shell”, will Schambaugh be providing outlets on the fire protection mains for the branch lines to be connected to, when they design the mains running through the “white shell”?

Answer: It has been decided that Shambaugh, the subcontractor to the base building contractor, will provide a 3” main stubbed off at the demising wall to the Health Clinic space. The Health Clinic contractor will be responsible for installing a complete fire suppression system connected to that 3” main.

Question 2: Can we get construction verification on the (2) blade signs with the 6” letters? Does the logo also get included?

Answer: Yes, the logo is included.

IMPORTANT- This is an addendum which MUST be acknowledged on your bid form

We will require two copies each of your lump sum proposals, vendor qualification questionnaire and your bid bond documents.

All questions concerning this project must be emailed to: Robert Kuhn, Procurement & Strategic Sourcing. Email: ac6243@wayne.edu, and copy Leiann Day, Associate Director of Procurement, at leiann.day@wayne.edu.

Do not contact either FP&M or the Design Firm directly as this may result in disqualification of your proposal.

Thank you for interest shown in working with Wayne State University.

Robert Kuhn
Sr. Buyer
CC: Fran Ahern, Allen Gigliotti (Project Manager), Leiann Day, Associate Director of Procurement, Attendee list.
