**Addendum #5 To  
Request for Proposal  
For Cohn Building Student Commons: Project 048-291367 and  
For Cohn Building Student Commons FFE: Project 048-291367  
Dated November 1, 2019**

**The Addendum must be acknowledged on your lump sum bid.**

NOTE: You must have attended a pre-bid conference in order to be eligible to bid on a particular project. Receipt of minutes or addenda without being at a pre-bid conference does not qualify your company to bid.

Notice:

Please note that the topic of alternates was discussed during the recent pre-bid meeting and the University recognizes, for the FFE, that not all integrators will carry all of the manufacturers in the specifications. As time will not allow the examination of alternates prior to the bid due date, vendors are encouraged to quote their alternates where applicable but must clearly indicate as such – “alternate item” in their proposal.

**IMPORTANT- This is an addendum which MUST be acknowledged on your bid form**

**We will require your lump sum proposals, vendor qualification questionnaire and your bid bond documents as a single PDF in your electronic submission.**

All questions concerning this project must be emailed to: Robert Kuhn, Sr Buyer, Procurement & Strategic Sourcing. Email: ac6243@wayne.edu, and copy Kim Toby-Tomszewski, Sr. Buyer, at ac9934@wayne.edu.

**Do not contact either FP&M or the Design Firm directly as this may result in disqualification of your proposal.**

Thank you for interest shown in working with Wayne State University.
