Addendum #2 To
Request for Proposal
For Elliman Air Handling Units Upgrade: Project 629-299881
Dated May 4, 2018

Points of Clarifications during the Pre-proposal Meeting May 15, 2018:

The Addendum must be acknowledged on your lump sum bid.

IMPORTANT – PLEASE NOTE: Effective December 1, 2007, bid notices will be sent only to those Vendors registered to receive them via our Bid Opportunities Listserve service. To register, go to [http://go.wayne.edu/bids](http://go.wayne.edu/bids), and click on the “Join our Listserve” link at the top of the page. Instructions are at the top of the page, and the Construction Listserv service is under “Construction Bid Opportunities”.

Question:
How is the contractor to assume access at each floor in order to install the 2 new exhaust runs that are to be contained within shaft 4? We need to know what limits there will be as well as locations of access.

Answer:
There is a shaft access door and catwalk located on each floor that opens directly into the Mechanical Shaft 4 that is intended to be utilized for as much of the work as possible. Where the gypsum board shaft wall must be opened access to the adjoining office and lab on floors 1, 2 and 3 will be required. Access will require coordination with the WSU Elliman Building staff and the contractor.

A copy of this Addendum will be posted to the Purchasing web site at [http://go.wayne.edu/bids](http://go.wayne.edu/bids).

As a reminder, the bid due date is June 5, 2018, at 2:00 pm. If you have any further questions, please do not hesitate to email them to me at rfpteam2@wayne.edu and copy leiann.day@wayne.edu.

Thank you,

Valerie Kreher,
Senior Buyer
