Addendum #2 To
Request for Proposal
For Prentis Water Filtration: Project 022-345555
Dated January 31, 2022

The Addendum must be acknowledged on your lump sum bid.

As a result of the release of the project and the mandatory pre-bid meeting for Prentis Water Filtration, Project 022-345555, that was held on February 7, 2022, at 10:00, several questions have been submitted for clarification. The questions and the University’s responses are as follows:

1. In the walkthrough, it was mentioned that an extension would be possible. As discussed, could the bid submission deadline be pushed to the 23rd to give the contractors additional preparation time?
   Response: Yes, the new due date for bids is 2pm on February 28, 2022.

NOTE: You must have attended a Pre-Bid conference in order to be eligible to bid on a particular project. Receipt of minutes or addenda without being at a Pre-Bid conference does not qualify your company to bid.

We will require your lump sum proposals, vendor qualification questionnaire and your bid bond documents as a single PDF in your electronic submission.

All questions concerning this project must be emailed to: Kimberly Tomaszewski, Procurement & Strategic Sourcing. Email: katt@wayne.edu, and copy Valerie Kreher, Senior Buyer, at Rfpteam2@wayne.edu.

Bids are due by electronic submission on no later than 2:00 p.m., February 28, 2022. The link for bid submission will be posted with the bid details at http://go.wayne.edu/bids beginning January 31, 2022.

Do not contact either FP&M or the Design Firm directly as this may result in disqualification of your proposal.

Thank you for interest shown in working with Wayne State University.
