Addendum #1 To
Request for Proposal
For Towers Residence Hall Café Addition: Project 127-303256

Minutes of the Pre-bid Conference
Dated June 11, 2019

The Addendum must be acknowledged on your lump sum bid.

The pre-bid conference for Request for Proposal for Towers Residence Hall Café Addition, Project 127-303256 was held on June 19, 2019, at 2:00 pm (local time) – at Detroit, MI 48202. Valerie Kreher reviewed the highlights of the pre-bid package, especially concerning details such as bid due dates and who Contractors may contact during the live bid process. Matt Walker and Amy Nolff from NORR discussed the technical aspects of the project and bid requirements, and conducted the Q & A session.

NOTE: You must have attended a pre-bid conference in order to be eligible to bid on a particular project. Receipt of minutes or addenda without being at a pre-bid conference does not qualify your company to bid.

Numerous simple questions and answers were addressed at the pre-bid meeting. Some of the issues were as follows:

1. Minimum Participation
   A. Pre-registration for the Pre-Bid meeting is required. In the event that we do not have four (4) or more eligible bidders pre-registered, the University reserves the right to postpone the Pre-bid meeting with up to 4 business hour notice.
   B. If less than 4 individual contractor firms attend the mandatory pre-bid meeting, the University reserves the right, at its sole discretion, to either reschedule the pre-bid conference or proceed and offer a second pre-bid conference date. (Attendance at only one pre-bid conference will be required).
   C. On the day of the bid opening, if less than 3 sealed bids are received, the University reserves the right, at its sole discretion, to rebid the project in an effort to obtain greater competition. If the specifications are unchanged during the rebid effort, any contractor who submitted a bid will be given the option of keeping its bid on file for opening after the second bid effort, or of having the bids returned to them unopened.

2. Smoke and Tobacco Free Policies: On August 19, 2015, Wayne State joined hundreds of colleges and universities across the country that have adopted smoke- and tobacco-free policies for indoor and outdoor spaces. Contractors are responsible to ensure that all employees and all subcontractors’ employees are in compliance anytime they are on WSU’s main, medical, or extension center campuses. The complete policy can be found at http://wayne.edu/smoke-free/policy/.

3. Sworn Statement Requirements: The University tracks it’s level of spend along a number of socio-economic categories. This includes it’s spend with Diverse organizations, it’s spend with Detroit based organizations, and it’s spend with Michigan based organizations. To assist with this, The University has reporting requirements to be included with the submission of your bid and for Pay Applications submitted by the successful contractor.

4. A bid bond is not required for bids below $50,000. Otherwise, a bid bond (5%) will be required for the full amount of the bid.

5. Performance Bond and Material & Labor Payment Bond requirements are listed in the specifications of the job. Performance & Material & Labor Payment Bonds must be provided by the awarded Contractor with the submission of the signed contract; which will then be submitted to FP&M management for counter signature.

6. The awarded Contractor must provide the required Certificate of Insurance in compliance with Section 700 – General Conditions, article 4.05 – Contractor's Insurance, and Section 800 – Supplementary Conditions, “Add the following to 4.05.1” of the bid specifications prior to commencement of any work.

7. Please review the insurance section carefully, there are some changes in the documents, such as the addition of professional liability insurance and changes in the amounts of required insurance for most of the categories.

8. If your company has not previously done business with the University you may go to the Purchasing website at www.purchasing.wayne.edu and look for the “new vendor” link under “Information for Vendors” on the left. You may submit a new vendor request form and an IRS form W-9. This will register your company on our vendor list. (NOTE: this does not replace the listserv.)

9. This Project Requires the Contractor and any subcontractors to compensate all employees who come to the job site at no less than Prevailing Wage Rates. A Prevailing Wage Rate Schedule is included as Appendix A to the
Bid Specifications. Contractors must review these requirements to be sure they are in compliance with the requirements of the University. Contractors must post wages at the job site in compliance with the complete Prevailing Wage Rate listing provided in Bid Documents.

10. Signed waivers from all Subcontractors and suppliers must accompany Pay Applications or they will be returned for such documentation prior to approval.

11. Certified Payroll must be provided with each of the contractor’s pay applications for all workers who worked at the job site, in compliance with the University policy. Failure to provide certified payroll will constitute breach of contract and pay applications will be returned unpaid, and remain so until satisfactory supporting documents are provided.

12. Signed waivers from all Subcontractors and suppliers must accompany Pay Applications or they will be returned for such documentation prior to approval.

13. A properly executed sworn statement is required from all tiers of contractors, and sub-contractors indicating sub-contractors and suppliers which provide services or product of $10,000.00 or greater. Sworn statements must accompany applications for payment.

14. All documents listed in the Front End Section 0410-2 “Wayne State Prevailing Wage Requirements” must accompany applications for payment. Failure to do so will result in the entire application package returned for correction.

15. A checklist of all Pay Application requirements can be found in Section 00430-1.

16. Section 300, Form of Proposal has changed very recently, review carefully and complete in its entirety to avoid disqualification.

17. The contractors must fill out our prequalification form. They can attach additional information if they would like but at a minimum the information requested must be filled in on our form so that we do not have to hunt to find the information.

18. Contractors who have withdrawn a bid after a University bid opening and/or refused to enter into a contract with the University upon notification of award within the last 3 years are not eligible to bid on this project.

19. Project hours of operation are 7:00am – 5:00 pm. Anything else requires advance notice and approval.

20. Prequalification meeting will be held the first business day after bid openings. Contractors must be available. The Project Manager will coordinate the meetings.

21. Prequalification meeting includes Schedule of Values from the Contractor, including a list of Contractor’s subcontractors and other qualifications required by the documents.

22. An unsigned contract will be given to the successful Contractor at the conclusion of the Prequalification meeting, if all aspects of the bid are in order. The Contractor has 5 business days to return the contract to the Project Manager for University counter signature. The contractor must also submit a Performance Bond as outlined above and a Certificate of Insurance in the same 5 business day period. In the event the Contractor fails to return the documents in this 5 day period, the University reserves the right to award the contract to the next most responsive bidder.

23. An Optional second walk thru has been scheduled. It will take place on Monday June 24, 2019 at 1:00 pm. Attendees will meet in the lobby of the Towers Café.

24. Permit requirements are the responsibility of the awarded contractor as listed in General Conditions, Section 700 Article 4.02.18. An electrical permit is required.

25. Any shut off notice must be at least seven days in advance to coordinate.

26. The University has two time periods when the restrooms can be done, a two week period in December or a three week period in May/June. Since the building is occupied, these are the only two times available.

27. Fire alarm is Simplex, Siemens BAS in the building for the rooftop unit.

28. Contractor to provide water, CO2 line, millwork and electrical hook ups for drink station, but not appliances or syrup lines. Appliances and soda lines will be provided by Soda vendor.

29. Contractor may have to coordinate with Project Manager regarding nearby construction and/or demolition.

30. Fire rated protection and dust protection must be provided during the construction.

31. Doors in the area will remain as is. WSU wants the ability to remove the center mullion in the existing doors in the curtain wall. The contractor will have to work with the architect to design a plate to cover the slot for the mullion in the floor.

32. Blue Light Phone must remain operational during the duration of the project.

33. Contractors must review the drawings about an agreed landscaping budget should be disregarded. Please provide pricing in your bid in response to what is shown in the drawings.
43. Contractor must provide their own dumpster if needed, which must be rubber or plywood padded if placed on concrete. Location and duration must be coordinated with the project manager. Dumpster must be tagged with the name of your company clearly displayed. Any lawn damage must be restored.

44. Questions are due by June 28, 2019 at 12:00 noon

45. Bids are due by electronic submission on no later than 2:00 p.m., July 5, 2019. The link for bid submission will be posted with the bid details at http://go.wayne.edu/bids beginning June 11, 2019.

46. Time of Completion: The Contract is expected to be fully executed on or about 15 calendar days after successful bidder qualification and recommendation of award. The successful bidder (Contractor) agrees to start construction immediately after receipt of a fully executed contract and Purchase Order, and to complete the work as follows: Substantial Completion, and State Approved Inspections (if appropriate), no later than July 31, 2020.

47. A copy of the sign in sheet is available for downloading from the University Purchasing Web Site at http://go.wayne.edu/bids.

48. This is an occupied area, awarded Contractor must be considerate of environment (noise, cleanliness, etc)

49. IMPORTANT- This is an addendum which MUST be acknowledged on your bid form
