**Addendum #2 To
Request for Proposal
For Student center Fire Doors: Project 034-307969**

Dated October 16, 2017

Points of Clarifications during the Pre-proposal Meeting October 25, 2017:

The Addendum must be acknowledged on your lump sum bid.

As a result of the Mandatory Pre-Bid meeting held on October 25, 2017 for Student center Fire Doors: Project 034-307969, a question was submitted. The question and the University's response is as follows:

1. Just had a chance to go through the addendum and noticed that the hardware is changed based on what I originally submitted. There are no mullions on the stairwells now, they have mortise panics and surface vertical rods. I can follow the hardware spec I just want to make sure this is what you want.

Response: Please quote the specs and provide an alternate.

NOTE: You must have attended a pre-bid conference in order to be eligible to bid on a particular project. Receipt of minutes or addenda without being at a pre-bid conference does not qualify your company to bid.

There have been alternates added to the package. You will find a new Form of Proposal below.

A copy of this Addendum will be posted to the Purchasing web site at
<http://go.wayne.edu/bids>.

As a reminder, the bid due date is November 2, 2017, at 2:00 pm. If you have any further questions, please do not hesitate to email them to me at ac9934@wayne.edu and copy leiann.day@wayne.edu.

Thank you,

**Kimberly Tomaszewski,
Senior Buyer**
