Addendum #2 To
Request for Proposal
For Woodward & Warren Greenspace: Project 999-312428

Dated August 1, 2018

A question has been submitted as a result of the Mandatory pre-bid Meeting August 8, 2018. The questions and the University's responses are as follows:

**Question:** As far as we could notice the container share for this project is one 20 ft. container for storage; and one two story 10x8 Kiosk per below image. I need to clarify if there is any additional requirement for container structures in this project. Per the image below it seems that they want hydraulic door for the storage container please also double check this issue and any other container specs. In terms of insulation R value, internal wall covering, electrical consumption estimation, HVAC need or…

**Response:** There are no additional requirements for structures on this project. The kiosk is also a single 20 ft. container partially buried vertically per the plans. The rendering depicts a hydraulic door however the plans do not have this included and is not part of the project. The structures do not have any insulation or HVAC. They are to be painted and have solar powered light fixtures only.

The Addendum must be acknowledged on your lump sum bid.

**NOTE:** You must have attended a pre-bid conference in order to be eligible to bid on a particular project. Receipt of minutes or addenda without being at a pre-bid conference does not qualify your company to bid.

A copy of this Addendum will be posted to the Purchasing web site at [http://go.wayne.edu/bids](http://go.wayne.edu/bids).

All questions concerning this project must be emailed to: Kim Tomaszewski, Procurement & Strategic Sourcing. Email: Ac9934@wayne.edu, and copy Leiann Day, Associate Director, Procurement, at Leiann.day@wayne.edu.
The Bid Due Date has been extended. Bids are due by electronic submission on no later than 2:00 p.m., August 20, 2018. The link for bid submission will be posted with the bid details at http://go.wayne.edu/bids beginning August 1, 2018.

Thank you,

Kim Tomaszewski,
Senior Buyer
