Addendum 3 of the Pre-bid Conference  
RFP Audio Visual Equipment Pharmacy 2018, dated February 8, 2018

Note: only those vendors that attended the mandatory pre-bid meeting will be allowed to participate in this RFP opportunity.

Please find the following questions and clarifications per the above RFP.

Question 1: Item 17 on the equipment list (DM-TX-4K-100) shows qty 2 but I can only find 1 on the system drawings (A/V input plate on the cart). Is the second one needed and if so, what is its purpose in the system?

Answer: Quantity should be "1" only.

Question 2: The side monitors in the auditorium were briefly mentioned in the pre-bid meeting and shown as an option on the drawings. Please confirm if any part of this option should be included in the bid at this time or if these are just notes for future upgrades. The Cost Schedule C does include the items for "Option #A1" Overflow Monitor in hallway.

Answer: There are no Side Monitors for this project. They are on the drawings as notes for other projects.

Question: The drawings show and HD-Scaler-HD-E and Echo 360 recorder in the teachers station but they do not appear on the equipment list. Are both of these owner furnished or existing equipment?

Answer: The Echo360 SCHD device is OFE. As the switcher has scaled outputs, the scaler will not be needed. The device will be installed in the both equipment rack. The drawings were not revised after some products changed, but the Cost Schedule was.

All questions concerning this project must be emailed to: Robert Kuhn, Procurement & Strategic Sourcing at 313-577-3712  
Email: ac6243@wayne.edu (copy to Leiann Day, Email: leiann.day@wayne.edu) by 12:00 p.m., February 14, 2018.

Do not contact the Pharmacy, or other University Units, directly as this may result in disqualification of your proposal.

Thank you

Robert Kuhn,  
Sr. Buyer, Purchasing
