Request for Proposal
RFP Catering Services Early Childhood Centers 2021 dated August 4, 2021

This Addendum must be acknowledged on Schedule D

Please find the following question/clarification with regards to the above bid opportunity.

1. Can you please specify how many special requests you will be anticipating?
   Answers:
   a. Special Diets (allergy/medical requests) –
   b. Vegan –
   c. Vegetarian -

Answer:

   College of Education Early Childcare Center projection is 3-4 special meals. This would be if the parent(s) felt comfortable with the vegan/vegetarian options that would be available. Also, it is important to note that we are currently not fully enrolled and have 6 preschool openings left.

   Merrill Palmer Skillman Institute Childcare Center would also need 3-4 special meals. We still have at least 16 spots to fill so this could also change. In terms of special meals in the past we mostly needed vegan/vegetarian options as well as soy milk.
