**Addendum #1 To
Request for Proposal
For RFP Concrete Time and Materials**

**Minutes of the Pre-bid Conference
Dated March 4, 2024**

The Addendum must be acknowledged on your lump sum bid.

The pre-bid conference for Request for Proposal for **RFP Concrete Time and Materials**, was held on **March 12, 2004**, at **2:00 pm** (local time) – at Detroit, MI 48202. **Robert Kuhn** reviewed the highlights of the pre-bid package, especially concerning details such as bid due dates and who Contractors may contact during the live bid process. **Steve Gilsdorf** discussed the technical aspects of the project and bid requirements, and conducted the Q & A session.

NOTE: You must have attended a Pre-Bid conference in order to be eligible to bid on a particular project. Receipt of minutes or addenda without being at a Pre-Bid conference does not qualify your company to bid.

Numerous simple questions and answers were addressed at the pre-bid meeting. Some of the issues were as follows:

1. Minimum Participation
 - A. Pre-registration for the Pre-Bid meeting is required. In the event that we do not have 3 or more eligible bidders pre-registered, the University reserves the right to postpone the Pre-bid meeting with up to 4 business hour notice.
 - B. If less than 3 individual contractor firms attend the **Optional** pre-bid meeting, the University reserves the right, at its sole discretion, to either reschedule the pre-bid conference or proceed and offer a second pre-bid conference date. (Attendance at only one pre-bid conference will be required).
 - C. On the day of the bid opening, if less than 3 sealed bids are received, the University reserves the right, at its sole discretion, to rebid the project in an effort to obtain greater competition. If the specifications are unchanged during the rebid effort, any contractor who submitted a bid will be given the option of keeping its bid on file for opening after the second bid effort, or of having the bids returned to them unopened.
2. Smoke and Tobacco Free Policies: Wayne State joined hundreds of colleges and universities across the country that have adopted smoke- and tobacco-free policies for indoor and outdoor spaces. Contractors are responsible to ensure that all employees and all subcontractors' employees are in compliance anytime they are on WSU's main, medical, or extension center campuses. The complete policy can be found at <http://wayne.edu/smoke-free/policy/>
3. Diversity Spend: The University tracks it's level of spend along a number of socio-economic categories. This includes it's spend with Diverse organizations, it's spend with Detroit based organizations, and it's spend with Michigan based organizations. To assist with this, The University has reporting requirements to be included with the submission of your bid and for Pay Applications submitted by the successful contractor.
4. A Bid Bond is not required; unless an individual project within this contract is over \$50,000 then that individual project will require a separate bid bond at that time.
5. Performance Bond: For individual projects/mobilizations over \$50,000 billing, the successful Bidder will be required to furnish a Performance Bond and Labor and Material Payment bond in an amount equal to 100% of the contract award amount, and include such cost in the Proposal, complying with University policy and the laws of the State of Michigan. Performance and Material Labor Bond must be provided to the Facilities Contract Administrator.
6. The awarded Contractor must provide the required Certificate of Insurance in compliance with Section 700 – General Conditions, article 4.05 – Contractor's Insurance, and Section 800 – Supplementary Conditions prior to commencement of any work.
7. Please review the insurance section carefully, including the professional liability insurance and the amounts of required insurance for most of the categories.
8. If your company has not previously done business with the University you may go to the Purchasing website at www.purchasing.wayne.edu and look for the "new vendor" link under "Information for Vendors" on the left. You may submit a new vendor request form and an IRS form W-9. This will register your company on in our vendor database. (NOTE: this does not replace the listserv.)

9. The University is committed to having responsible and ethical contractors and subcontractors on all of its construction projects, to ensure that work is performed by responsible, qualified firms that maintain the capacity, expertise, highly trained personnel, and other qualifications and resources necessary to successfully perform University projects in a safe, timely, reliable, high quality and cost-effective manner. To achieve that goal, the University requires contractors and subcontractors submitting a bid on to provide information relating to their qualifications as discussed in Section 00400 - Responsible Contractor Policy
10. This Project Requires the Contractor and any subcontractors to compensate all employees who come to the job site at no less than WSU Wage Rates. WSU Wage Requirements are listed in Section 00410, and a WSU Wage Rate Schedule is included as Appendix A to the Bid Specifications. Contractors must review these requirements to be sure they are in compliance with the requirements of the University. Contractors must post wages at the job site in compliance with the complete WSU Wage Rate listing provided in Bid Documents.
11. 1099 workers and subcontractors using 1099 workers are NOT acceptable.
12. Certified Payroll must be provided with each of the contractor's pay applications for all workers who worked at the job site, in compliance with the University policy. Failure to provide certified payroll will constitute breach of contract and pay applications will be returned unpaid, and remain so until satisfactory supporting documents are provided.
13. Signed waivers from all Subcontractors and suppliers must accompany Pay Applications or they will be returned for such documentation prior to approval.
14. A properly executed sworn statement is required from all tiers of contractors, and sub-contractors indicating sub-contractors and suppliers which provide services or product of \$10,000.00 or greater. Sworn statements must accompany applications for payment
15. All documents listed in the Front End Section 0410-2 "Wayne State WSU Wage Requirements" must accompany applications for payment. Failure to do so will result in the entire application package returned for correction.
16. A checklist of all Pay Application requirements can be found in Section 00430-1.
17. Section 440 - Contractors Performance Evaluation is a part of the contract and will be performed at the end of every job.
18. The competency and responsibility of Bidders will be considered in making the award. The University is not obligated to accept the lowest or any other bids. The University reserves the right to reject any and all bids and to waive any informalities in the Proposals.
19. Parking on WSU campus lots and structures are \$9.00/access. Contractor must build parking into their lump sum bid. There is no parking allowed on the malls.
20. Review Section 300 - Form of Proposal carefully and complete in its entirety to avoid disqualification, including our prequalification form.
21. Contractors who have withdrawn a bid after a University bid opening and/or refused to enter into a contract with the University upon notification of award within the last 3 years are not eligible to bid on this project.
22. Project hours of operation are 7:00am – 5:00 pm. Anything else requires advance notice and approval.
23. An FP&M led prequalification meeting may be held as soon as the first business day after bid openings. Contractors must be available. The Project Manager will coordinate the meetings.
24. Prequalification meeting includes information on the qualifications of management and supervisory personnel assigned to the project, a Schedule of Values from the Contractor, including a list of Contractor's subcontractors and other qualifications required by the documents. This information should include information on the contractor's and any subcontractor's access to labor necessary for contract performance.
25. If all aspects of the bid are in order, an unsigned contract will be given to the successful Contractor as soon as it's available. The Contractor has 5 business days to return the contract to the Project Manager for University counter signature. The contractor must also submit a Performance Bond as outlined above and a Certificate of Insurance in the same 5 business day period. In the event the Contractor fails to return the documents in this 5-day period, the University reserves the right to award the contract to the next most responsive bidder.
26. Permit requirements are the responsibility of the awarded contractor as listed in General Conditions, Section 700 Article 4.02.18. Some projects may require a permit, the awarded contractor and the project manager will need to assess the need for a permit on a project by project basis.
27. Contractor must provide their own dumpster if needed, which must be rubber or plywood padded if placed on concrete. Location and duration must be coordinated with the project manager. Dumpster must be tagged with the name of your company clearly displayed. Any lawn damage must be restored.
28. OPTIONAL Site Visit: **Vendors may visit the campus as all areas are public access.**
29. Questions are due by **March 15, 2024** at 12:00 noon
30. Bids are due **by electronic submission** on no later than 2:00 p.m., **March 21, 2024**. The link for bid submission will be posted with the bid details at <http://go.wayne.edu/bids> beginning **March 4, 2024**.
No public bid opening will be held.
31. **Time of Completion:** The Contract is expected to be fully executed on or about 25 calendar days after successful bidder qualification and recommendation of award. The successful bidder (Contractor) agrees to start construction **immediately after** receipt of a fully executed contract and Purchase Order, and to complete the work as follows: Substantial Completion, and State Approved Inspections (if appropriate), no later than **August 11, 2024**.
32. This is an occupied area, awarded Contractor must be considerate of environment (noise, cleanliness, etc.)
33. **Section 300, Form of Proposal has been revised to and can be found on the University's website.**
34. **The Cost Schedule has been revised and can be found on the University's website.**
35. **IMPORTANT- This is an addendum which MUST be acknowledged on your bid form**

We will require your **Section 300 – Form of Proposal**, the vendor qualification questionnaire - documents as a single **PDF in your electronic submission**. We will require your **Cost Schedule** in **Excel Format**

All questions concerning this project must be emailed to: **Robert Kuhn**, Procurement & Strategic Sourcing. Email: **RFPteam3@wayne.edu@wayne.edu**.

Bids are due **by electronic submission on** no later than 2:00 p.m., **March 21, 2024**. The link for bid submission will be posted with the bid details at <http://go.wayne.edu/bids> beginning **March 4, 2024**.

Do not contact either FP&M or the Design Firm directly as this may result in disqualification of your proposal.

Thank you for interest shown in working with Wayne State University.

Robert Kuhn
Senior Buyer

CC: **Steve Gilsdorf, Donna Reincke, Ekta Kamalia** (Project Manager), Attendee list.
