Addendum No. 3 To
RFP Electric Vehicle Charging Stations
dated March 30, 2022

This Addendum must be acknowledged on Schedule D

Please find the following questions and answers with regards to the above bid opportunity.

Question 1: By what date will DTE have all the needed in front of the meter infrastructure installed, including any transformers, meters, conduit, trenching, permits, concrete, planning, construction, etc.?

Answer: We do not have a specific date/time at this point and is still to be determined

Question 2: Is WSU waiting to be approved and taken off the waiting list for DTE $2500.00 rebates, before starting construction?

Answer: No. However, we would expect to be approved and depending when, would hope the rebates would still be considered retroactively.

Question 3: For payment, is a physical card reader required or can we have WEB payments?

Answer: A physical reader is preferred, however Web payments with a QR code or other method would be considered

Question 4: Does the WSU faculty/student “OneCard” function as an ATM or credit card, or both?

Answer: It is a debit card only system which would tie back into the OneCard / CS gold software system

Question 5: Where you have “2 dual ports per floor going straight up”, is there a hole in the existing concrete to run the conduit, or is there a pipe in there to accommodate going up 5 floors?

Answer: Each location has a path to run conduit either along the outer wall or inside the structure without coring any holes through the concrete

Question 6: How is the current cellular signal around the parking structure and lots?

Answer: Not sure how to answer this. Really depends on cell provider, but most areas appears to have signal.

The Deadline for project related questions is April 13, 2022, 12:00 noon.

Bids are due by electronic submission on April 22, 2022 no later than 4:00 p.m. The link for bid submission will be posted with the bid details at http://go.wayne.edu/bids beginning March 30, 2022.

Should you have any questions or concerns about this Addendum or on any other aspects of the Request for Proposal, please send them by email to Kimberly Tomaszewski, Senior Buyer, Email; katt@wayne.edu and to Robert Kuhn, Senior Buyer, Email; ac6243@wayne.edu. Copy both Kimberly Tomaszewski and Robert Kuhn on all E-Mail questions.
Thank you,
Kimberly Tomaszewski
