Addendum 2 To

RFP Interconnected Campus Shuttle Services dated July 20, 2015

Questions have been raised since the Pre-Proposal meeting held on July 28, 2015 for the MISS’s RFP for Interconnected Campus Shuttle Services for the Parking & Transportation Services. A summary of the questions asked and the MISS’s responses are as follows:

1. In an effort to deliver the best possible pricing to Wayne University and Detroit Medical Center it is needed that we have a complete understanding of the hours being operated. Please provide a week of the daily billing summary of the hours operated. Also, please provide the monthly billing for the last 12 months to ensure that we fully understand the daily, weekly and monthly hours being delivered to both Wayne State and DMC.

Response: The requirements and specifications were covered in enough detail for suppliers to provide competitive proposals. Please bid according to specifications.

2. Can the due date be extended until the August 14th?

Response: The bid due date has been extended to August 12th.
