**Addendum #4
Clarification
To Request for Proposal
RFP: Waste Disposal and Recycling 2022
dated July 11, 2023**

This Addendum must be acknowledged on Schedule D.

Please find the following questions and clarifications with regards to the above bid opportunity.

Question 1: On the cost schedule I counted 22 for WSU housing but on the bottom of the page it showed 3 company owned and 4 Vendor owned with 4 receiver boxes. Does that mean there is 4 compactors at each of the vendor supplied sites? Can you confirm how many compactors there are in this bid? How many are university owned and how many will need to be supplied?

Answer: See answer 2 below for list of compactor present at Wayne State. Answer 2 also has the breakdown of who is the owner at each location.

Question 2/Answer: There still may be some confusion on which compactors are owned by WSU and which ones are owned by DDR. Here is a list below:

Location	Owner
Atchinson Residential Hall:	Wayne State University-
Ghafari Hall	Wayne State University- 5 containers
The Towers:	Wayne State University- 5 containers
AWD NORTH:	Detroit Disposal & Recycling- 5 containers
AWD SOUTH	Detroit Disposal & Recycling- 5 containers
Chatsworth	Detroit Disposal & Recycling- 4 containers
University Tower:	Detroit Disposal & Recycling- 5 containers
Student Center Dock	Detroit Disposal & Recycling- 1 container
Scott Hall:	Detroit Disposal & Recycling- 1 container

Question 3: Are the compactor boxes also owned by DDR? There is a mix of ownership. Please see answer 2 above.

This RFP included an **Optional pre-proposal meeting**. In cases where the pre-proposal meeting is mandatory, only those vendors that attended the will be allowed to participate in this RFP Opportunity
