Addendum 3 of the Pre-bid Conference

RFP Student Center 5th & 7th Floor Renovation
Dated July 11, 2016

Note: Only those vendors that participated in the mandatory pre-bid meeting will be allowed to participate in this RFP Opportunity.

Please find the following questions and clarifications in regards to the above RFP opportunity.

We have just a few questions on the project.

1. Where is the MDF Room # 049 located and what is the distance between this room and the vertical riser located on floor(s) # 5 & # 7?
   Answer: The MDF #49 room is in the basement. It is approximately 35’ from the vertical riser.

2. Item # 3 Grayfox Gold # 7530 is proving to be hard to find from normal sources. It seems this is just a wall plate with a 75 ohm feed through F connector. Can we simply supply a manufactured metal plate instead of a plastic one with inserts? Or would a product from Comscope be acceptable? It appeared that all were single gang openings on the walkthrough.
   Answer: Contractors are to follow WSU standards.

3. When will updated response forms be released to allow for alternates due to the Panasonic TV’s being discontinued?
   Answer: Discontinued product = Panasonic TH-50LRU70 ———> Replacement product = NEC E505
           Discontinued product = Panasonic TH-65LRU60 ———> Replacement product = NEC E655

All questions concerning this project must be emailed to: Robert Kuhn, Sr. Buyer, Procurement & Strategic Sourcing at 313-577-3712 Email: ac6243@wayne.edu (copy to Leiann Day, Email: leiann.day@wayne.edu) by 12:00 p.m., July 20, 2016.

Do not contact the WSU-FPM-Design & Construction Services, or other University Units, directly as this may result in disqualification of your proposal.

Thank you

Robert Kuhn,
Sr. Buyer, Purchasing
