Addendum 3
RFP Digital Cable and IPTV Television Service - 2017
Dated: January 7, 2017

Note: only those vendors that attended the mandatory pre-bid meeting will be allowed to participate in this RFP Opportunity.

Please note: if your company would like to do a walk thru of the campus for hybrid fiber coax network and the University preferred points of entry into campus for a metro-ethernet fiber circuit, please contact David Fleig, PMP, Project Manager at 313 577 - 0845.  He will schedule a 1 time walk thru at his convenience – this will be a look and see but no questions site view.  All questions must be reduced to writing and forwarded to the Procurement Office, please see below.  David will establish a meet time and location, no special allowances for late arrivals.

Correction from Addendum 2:

Question 1: You have roughly 784 billing units many of which you define as doors to hallways which lead to multiple rooms, with multiple outlets. Do you have an estimate of how many outlets these 784 billing units would represent?

Answer: Correction - Use 1300 as the approximate count (Towers Residential Suites was calculated incorrectly).

Please find the following questions and clarifications regarding the above:

Question 1: Will existing satellite antennas be available re-use?

Answer: No. New antennae should be provided. The existing antenna hardware is old and may be difficult to repoint.

Question 2: Are there any coaxial down leads available for over the air antennas linking the Ghafari Hall Rooftop with the Ghafari Hall MDF? If yes, how many? If no is a cabling path available to install additional required coaxial down leads?

Answer: No, but there is a 4 inch conduit home run from the roof. See the pictures.

Question 3: Will Wayne State provide a system design map of the existing HFC CATV system?

Answer: Already provided to Bob Kuhn for posting. It’s titled “CATV Network Diagram.”

All questions concerning this project must be emailed to: Robert Kuhn, Procurement & Strategic Sourcing at 313-577-3712
Email: ac6243@wayne.edu (copy to Leiann Day, Email: leiann.day@wayne.edu) by 12:00 p.m., January 17, 2017, 12 - noon.

Do not contact the Computing & Information Systems, or other University Units, directly as this may result in disqualification of your proposal.

Thank you

Robert Kuhn,
Sr. Buyer, Purchasing
313-577-3712
