Addendum Four To

RFP Recycling and Waste Disposal dated August 28, 2017

Minutes of the Second Pre-bid Conference

The second pre-bid conference for the Recycling and Waste Disposal was held on September 21, 2017 at 8:30am. Leiann Day reviewed the administrative requirements of the pre-bid package, especially concerning details such as bid due dates and who vendors may contact during the live bid process. Harry Wyatt, Daryl Pierson, and Steven Pecic of the Facilities Planning & Management, discussed the expectations and scope of work.

The pre-bid conference attendees sign in sheet and meeting minutes are available for downloading from the University Purchasing Web Site at http://go.wayne.edu/bids.

Numerous simple questions and answers were addressed at the pre-bid meeting. Some of the issues were as follows:

1. Only those vendors that attended one of the mandatory pre-bid meetings will be allowed to participate in this RFP Opportunity.
2. The Deadline for project related questions has been extended to September 27, 2017, 12:00 pm.
3. Bids are due October 06, 2017 at 4:00 pm, to be time date stamped in Procurement & Strategic Sourcing located in the Academic/ Administration Bldg., 5700 Cass Avenue, 4th Floor – Suite 4200, Detroit, MI 48202.
4. We will require an original plus one copy (2 total) of your proposal. In addition, an electronic version is required, which should be submitted to our secure mailbox at rfp@wayne.edu.
5. Any responses, materials, correspondence, or documents provided to the University are subject to the State of Michigan Freedom of Information Act and may be released to third parties in compliance with that Act, regardless of notations in the VENDOR’s Proposal to the contrary.
6. Parking on WSU campus lots and structures are $7.75/access. Vendor must build parking into their lump sum bid. There is no parking allowed on the malls.
7. Smoke and Tobacco Free Policies: On August 19, 2015, Wayne State joined hundreds of colleges and universities across the country that have adopted smoke- and tobacco-free policies for indoor and outdoor spaces. Contractors are responsible to ensure that all employees and all subcontractors' employees are in compliance anytime they are on WSU’s main, medical, or extension center campuses. The complete policy can be found at http://wayne.edu/smoke-free/policy/.
8. Public announcement of selected vendor is set for December 18, 2017. Negotiations with finalist will commence in advance of the selected announcement date.
9. Awarded vendor should communicate changes in university scope or service plan and seek advance approval in the same manner prescribed for the recycling portion of the contract.
10. Annual maintenance of compactors must be identified on the revised Costs Schedule C, broken out of any incremental unit pricing listed for the collection of compactor materials. (Annual Maintenance must minimally include the inspection and replacement of failing or compromised hydraulic hoses and connections, fluid, and filter changes, greasing of all movable joints and zerk fittings).
11. Compactors that remain with the University are assigned to the awarded vendor for continuous care and maintenance as defined by the Annual Maintenance minimum requirements; capital repairs beyond those included in the annual maintenance must have quotes collected by the Vendor for presentation to the University or University Housing Partner for any allowance use or encumbrance approval.
12. University Owned compactors include the waste containers.
13. Vendor is expected to provide monthly reporting, as defined in the RFP, to the Office of Sustainability at Wayne State for ALL collection points and contracts. Actual measurements are preferable to estimates based on container volume.

14. There will be two separate contracts to one awarded vendor as a result of this RFP. Awarded vendor will be expected to manage those relationships separately, which includes separate invoices for services provided to the university housing partner (Corvias), and for services provided to the university.

15. There is an enhanced emphasis on recycling as part of this RFP.

16. There are anticipated additional service needs beginning in the Fall 2017 with the Thompson Home, the new Mike Ilitch School of Business (Spring 2018), and when the first phase of the Anthony Wayne Drive Housing Project opens (Fall 2018).

All questions concerning this project must be emailed to: Leiann Day, Procurement & Strategic Sourcing at 313-577-3733 Email: Leiann.day@wayne.edu (copy to Loretta McClary, Email: Ac2843@wayne.edu) by 12:00 p.m., September 27, 2017.

Do not contact the Facilities Planning & Management, or other University Units, directly as this may result in disqualification of your proposal.

Thank you

Leiann Day,
Associate Director, Procurement
313-577-3733
