**Addendum 1 To
RFQ State Hall Renovation CM
dated April 5, 2020**

Please find the following question and clarification with regards to the above Request for Qualification.

Question: Can you provide a clarification of Part III – SOQ Format, Item B. Description of Business and Subconsultants, specifically as it relates to “provide a list and an overview of subconsultants that you will likely use if selected for this project.”. Can you provide further clarification on the intent of this item?

Answer: If the respondent feels that they will be able to perform all of the work as described in-house, then it is anticipated that there will not be any subconsultants listed in the SOQ.
