IV. GENERAL REQUIREMENTS AND GUIDELINES

A. Terms and Conditions

Any contract between the UNIVERSITY and VENDOR resulting from this RFP will be made using the University's Strategic Source Agreement (Exhibit V). The Agreement will incorporate this RFP and its terms and conditions by reference. Should the Vendor have additional terms to incorporate into the Agreement, the Vendor's Proposal response must include a formal copy of any VENDOR'S terms and conditions applicable to this transaction. Evaluation and acceptance and/or modification of these terms and conditions by the University's General Counsel is essential prior to the award of the contract. If supplied, this should be included in **Exhibit 1** of the Vendor's proposal. **In the event the VENDOR does not supply terms and conditions with their proposal, the University's terms and conditions will govern this transaction.**

B. Joint or Partnering Bids/Proposals

A joint bid/proposal by two or more Vendors proposing to participate jointly in performance of proposed work may be submitted. A single Vendor must be clearly identified as the "Primary Vendor" who will assume responsibility for performance of all other Vendors and all subcontractors. The Primary Vendor must identify itself as such and submit the proposal under its company name and signature. If a contract is awarded in response to a joint bid/proposal, the Primary Vendor must execute the contract and all Partner Vendors must verify in writing that the Primary Vendor is authorized to represent them in all matters relating to the contract. At least one of the Vendors must have attended any and all mandatory Pre-Proposal or other meetings.

C. Price Schedules

VENDOR is to quote the products and services in accordance with specifications set forth in this Request for Proposal. Prices and other requested data must be stated on or in the exact format of **Cost Schedule C**. Vendors must not modify the format of any Price Schedule or to alter its functionality.

Please Note: You must respond using Schedule C. Failure to do so may result in disqualification of your Proposal. VENDOR shall be responsible for all errors and omissions.

A copy of Cost Schedule C is to be provided in Excel format with your electronic submission. The paper copy will govern if any discrepancies exist between the paper copy and electronic version.

D. Pricing Variances

No changes shall be made, nor invoices paid for extra changes, alterations, modifications, deviations, and extra orders except upon a written change order from the UNIVERSITY. The UNIVERSITY will not authorize payment for changes, alterations, modifications, deviations, etc. that are a result of VENDOR error.

E. Certification, Affidavit, and Acknowledgements

The Proposal Certification, Non-Collusion Affidavit, and Vendor Acknowledgements, **Schedule A**, must be executed as a part of the VENDOR'S proposal.

F. Publicity

VENDORS must refrain from giving any reference to this project, whether in the form of press releases, brochures, photographic coverage, or verbal announcements, without written approval from the UNIVERSITY.

G. Freedom of Information Act / non-Confidentiality

Wayne State University is subject to the State of Michigan Freedom of Information Act. As such, proposals may be subject to public review after the contracts have been awarded. VENDORS responding to this proposal are cautioned not to include any proprietary information as part of their proposal.

H. Credit References

From time to time, the University is asked to provide credit and business references to potential new Vendors. In the event your

company is awarded a contract as a result of your response to this RFP, the University would like the option to include your company as a future reference.

I. Insurance Requirements

The University requires Certificates of Insurance per Schedule B for the following types of work: 1) For any and all construction or construction-like work, 2) When work or service is performed on campus, 3) When food is being provided by a private caterer, and 4) When moving services or bus transportation services are being provided. The University reserves the right to require insurance on a case-by-case basis.

When required, VENDORS must provide Certificates of Insurance or other evidence that insurance is in place. If awarded a contract, VENDOR must then provide a Certificate of Insurance naming Wayne State University / Office of Risk Management as a certificate holder and the Board of Governors as an additional insured. During the life of the contract, the VENDOR must maintain insurance as stated in Insurance Provisions (Schedule B) and any additional requirements as specified by the UNIVERSITY Office of Risk Management.

For this project, Insurance is **Required**

J. Minority, Woman and Disabled Veteran Owned Business Enterprises (M/W/DBEs)

Specify in your proposal whether ownership of your company is a certified M/W/DVBE. The University, in accordance with guidelines from the MMSDC and WBENC, considers an M/W/DVBE as one that is at least 51% owned, operated, and controlled by an M/W/DVBE, or in case of a publicly owned business, at least 51% of the stock must be owned by an M/W/DVBE.

If the firm is not an M/W/DVBE, describe the firm's partnering relationships (if any) with M/W/DBE and how it plans to support the UNIVERSITY'S goal to award UNIVERSITY business to M/W/DVBEs.

1. Reporting

The selected firm will identify and fairly consider M/W/DVBE for subcontracting opportunities when qualified firms are available to perform a given task in performing for the UNIVERSITY under the resulting agreement. The selected VENDOR must submit a quarterly M/W/DVBE business report to the UNIVERSITY Procurement & Strategic Sourcing by the 15th of the month following each calendar quarter, specifically the months of April, July, October, and January. Such reports should be sent directly to:

Kenneth Doherty, Associate Vice President
Procurement & Strategic Sourcing
Wayne State University
State Hall Renovation
5700 Cass Avenue, Suite 4200, AAB
Detroit, MI 48202

2. Report Detail

M/W/DVBE business reports must contain, but are not limited to the following:

- Firm's name, address, and phone number with which the VENDOR has contracted over the specified quarterly period
- Contact person at the minority firm who has knowledge of the specified information
- Type of goods and/or services provided over the specified period of time
- Total amount paid to the minority firm as it relates to the UNIVERSITY account.

Specify in your proposal whether your company is a certified 8(A) firm.

A complete set of the University's Supplier Diversity Program, which includes complete definitions of each of the above, can be downloaded from our web site at

http://procurement.wayne.edu/docs/university_policy_2004_02.doc

K. Ownership of Documents

All documents prepared by the VENDOR, including but not limited to: tracings, drawings, estimates, specifications, field notes, investigations,

studies and reports, shall become the property of the UNIVERSITY. At the UNIVERSITY'S option, such documents will be delivered to UNIVERSITY Procurement & Strategic Sourcing. Prior to completion of the contracted services, the UNIVERSITY shall have a recognized proprietary interest in the work product of the VENDOR.

L. WSU Wage Rates

For construction and construction-like work, Wayne State University requires all project contractors, including subcontractors, who provide labor on University projects to compensate at a rate no less than Wayne State University wage rates.

The rates of wages and fringe benefits to be paid to each class of laborers and mechanics by each VENDOR and subcontractor(s) (if any) shall be not less than the wage and fringe benefit rates prevailing in Wayne County, Michigan, as determined by the United States Secretary of Labor. Individually contracted labor commonly referred to as "1099 Workers" and subcontractors using 1099 workers are not acceptable for work on any of Wayne State's properties. Rates for all counties are available at <https://wdolhome.sam.gov/>, and Procurement will post the schedules quarterly that pertain to Wayne County on its website at <http://procurement.wayne.edu/vendors/wage-rates.php>.

Certified Payroll must be provided for each of the contractor's or subcontractor's payroll periods for work performed on any University project. Certified Payroll must accompany Pay Applications, and be fully reconciled with the final Pay Application. Failure to provide certified payroll will constitute a material breach of contract, and pay applications will be returned unpaid, and remain unpaid until satisfactory supporting documents are provided.

Additional information can be found on the University Procurement & Strategic Sourcing's web site at the following URL address: <http://procurement.wayne.edu/vendors/wage-rates.php>.

PROCEDURE

Construction Bids and other Bids or Proposals for work that includes construction shall contain a WSU Wage Rate clause outlining a contractor's responsibilities under University policy. Each bid solicitation shall include reference to the most current wage determination schedule that contractors can use when preparing their bids.

When compensation will be paid under WSU Wage Rate requirements, the University shall require the following:

The contractor shall obtain and keep an accurate record showing the name and occupation of and the actual wages and benefits paid to each laborer and mechanic employed in connection with this contract.

The contractor shall submit a completed certified payroll document [U.S. Department of Labor Form WH 347] verifying and confirming the WSU Wage and benefits rates for all employees and subcontractors for each payroll period for work performed on this project. The certified payroll form can be downloaded from the Department of Labor website at <http://www.dol.gov/whd/forms/wh347.pdf>.

A properly executed sworn statement is required from all tiers of contractors, sub-contractors and suppliers which provide services or product of \$10,000.00 or greater. Sworn statements must accompany applications for payment. All listed parties on a sworn statement as a subcontractor must submit Partial or Full Conditional Waivers for the amounts invoiced on the payment application. A copy of the acceptable WSU Sworn Statement and Waiver will be provided to the awarded contractor.

If the VENDOR or subcontractor fails to pay the WSU rates of wages and fringe benefits and does not cure such failure within 10 days after notice to do so by the UNIVERSITY, the UNIVERSITY shall have the right, at its option, to do any or all of the following:

- Withhold a portion of payments due the VENDOR as may be considered necessary by the UNIVERSITY to pay laborers and mechanics the difference between the rates of wages and fringe benefits required by this contract and the actual wages and fringe benefits paid.
- Terminate the contract and proceed to complete the contract by separate agreement with another vendor or otherwise, in which case the VENDOR and its sureties shall

be liable to the UNIVERSITY for any excess costs incurred by the UNIVERSITY.

- Propose to the Associate Vice President for Business Services / Procurement that the Vendor be considered for Debarment in accordance with the University's Debarment Policy, found on our website at

<https://policies.wayne.edu/appm/2-8-debarment-policy-on-non-responsible-vendor-in-procurement-transactions> .

For more information and a general WSU Wage Rate schedule, see Purchasing Website at:

<http://procurement.wayne.edu/vendors/wage-rates.php>.

M. Buy American

Wayne State University intends to purchase products in the United States of America whenever an American made* product is available that meets or exceeds the specifications requested and the price is equal to or lower than a foreign made product. Vendors are required to bid American made products whenever available. Vendors may bid foreign made products when:

- 1) They are specified
- 2) As an alternate as long as they are technically equal to the product specified.

* (More than 50% of the product is manufactured or assembled in the U.S.A.)

N. Smoke and Tobacco-Free Policies

On August 19, 2015, Wayne State joined hundreds of colleges and universities across the country that have adopted smoke- and tobacco-free policies for indoor and outdoor spaces. Contractors are responsible to ensure that all employees and all subcontractors' employees are in compliance anytime they are on WSU's main, medical, or extension center campuses. The complete policy can be found at <http://wayne.edu/smoke-free/policy/>.

O. Tax Exempt

Wayne State University is a tax-exempt institution. The Vendor shall include in its proposal and make payment of all Federal, State, County and Municipal taxes, including Michigan State Sales and Use Taxes, now in force or which may be enacted during the progress and completion of the work covered.
