**NOTE: Evaluation Criteria are in alphabetical order and are not stated in order of preference.**

VENDOR proposals will be evaluated by a team consisting of members of the UNIVERSITY'S Purchasing and Special Events. A preliminary screening will be used to identify competitive VENDORS who have met the mandatory requirements. Procurement & Strategic Sourcing may subsequently request selected VENDORS to attend an interview or make a presentation at a set time and date, to clarify information provided in the proposals. Final consideration, evaluation, and recommendation may be made at this point. However, the UNIVERSITY reserves the right to take additional time for reference review, site visits and/or proposal negotiations.

2. To qualify for evaluation, a VENDOR'S proposal must be responsive, must have been submitted on time and must materially satisfy all **mandatory requirements** identified throughout the RFP, in the judgment of the UNIVERSITY. **Any deviation from requirements indicated herein must be stated in the proposal specifically under the category "Restricted Services", and clearly identified as Exhibit 1.** Otherwise, it will be considered that proposals are in strict compliance with all requirements. In those cases where mandatory requirements are stated, material failure to meet those requirements may result in disqualification of the VENDOR'S response
3. If there are portions of any proposal the UNIVERSITY finds unacceptable or otherwise in need of clarification or revision, the UNIVERSITY reserves the right to clarify or negotiate with any or all VENDORS. Should the outcome of evaluations result in a recommendation, any resulting contract will be subject to the approval of the UNIVERSITY'S General Counsel and must be approved and signed by the appropriate UNIVERSITY representative.
4. After notification of acceptance of proposal and the signing of a resulting agreement and/or Purchase Order, the successful VENDOR will be expected to establish and be in a position to **commence work or services on or before August 1, 2023.**

A. Project Requirements and Specifications:

1. Athletics utilizes a temporary labor provider for assisting in the WSU Fieldhouse court "flips". A court flip is either putting the Motor City Cruise floor down, along with the courtside chair setup or removing the floor and court side setup.
  - a. In the 2021-22 season, there was 17 court flips.
  - b. In the 2022-23 season, there was 23 court flips. Total number of uses will be TBD but expected it to be in the same ranges.

Anticipated spend will be \$25,000 – 50,000 per year.

2. Special Events utilizes temporary labor for commencement set up and strike twice a year as well as occasionally for other large-scale set ups and strike of equipment on campus for events.
  - a. It is anticipated there will be 6-12 uses per year.Expected spend will be \$7,500 – 15,000 per year.

3. Hilberry Gateway Theater – CFCPA will utilize temporary labor for rental events within the theaters, total number of events is undetermined at this time as the theater is new and academic schedules are still being set.
  - a. We are anticipating 3-10 events per year.
  - b. Average about \$5,000 – 25,000 per year.
  - c.
4. Potential for utilizing temporary labor at other locations on campus if Strategic Agreement is established.
5. Vendor must specify their “minimum call time”, see **Cost Schedule C**.
6. **Total estimated spend is about \$90,000 per year.**
7. Athletics, Theater and Dance, Special Events and Services are the main areas that will be using this service after completion of the contract.
8. Athletics will utilize this service mostly for court floor “flips” putting the floor down and taking it up. The number of flips per year is estimated, but we do not have an exact number for this service.
9. Special Events and Services will utilize this service mostly for Commencement Services twice a year and occasionally for other large events as they come up.
10. Theater will utilize this service mostly for stage setups for the theater productions.
11. Theater usage is unknown at this time, this is a new area, this area will also more than likely need skilled labor for audio and lighting.
12. The University will provide direction; however, the awarded vendor should provide supervision for onsite direction of the work as it is being performed.
13. Vendors need to take care with the floors and equipment provided by the University. The basketball floor is especially important to take care with.
14. Other parts that may be needed include carpet, chairs, tables, etc.
15. The cost schedule consists of mostly hourly rates including straight time and overtime rates.
16. Percentage of the total cost means a percentage of each labor category; Management versus labor.
17. The call time is the time between the initial call and the arrival of a work crew.
18. The demand for this service may expand rapidly as mostly the labor we utilize is volunteer labor.
19. Special events would likely need equipment brought in. These items may be rented separately so there may be coordination involved with other vendors or service providers.
20. Cameras are available to feed all spaces in the theater. All the areas are handicap accessible.
21. Prevailing wage or Wayne State University wage rates are not required for this work.

This Agreement, effective as of \_\_\_\_\_ (the "Effective Date"), is made by and between Wayne State University, 5700 Cass Avenue, suite 4200, Detroit, Michigan 48202, a constitutional body corporate of the State of Michigan ("University") and, (**Supplier\_Name**), (**Supplier\_Address**), (**Supplier\_City\_State\_Zip**), ("the Supplier")

For good and valuable consideration, the parties agree as follows:

1. **General Purpose:** The general purpose of this Agreement is to engage the services of the Supplier to provide (**Named\_Services**) (**Services**), per the University Request for Proposal dated (**Quote\_Date**) (the RFP) and the Supplier's response Proposal dated (**Bid\_Date**), and the Price Schedule attached as Exhibit C. The University has assigned (**Project\_Manager**) as the Contract Administrator. Only contract directives from the University's Procurement and Strategic Sourcing Department or the Contract Administrator shall be accepted by the Supplier. The Procurement contact for this agreement is Robert Kuhn, email; Rfpteam3@wayne.edu.
2. **General Duties of the Supplier:** The Supplier shall provide the University with (**Named\_Services**) of superior quality, at competitive pricing, as described in the Statement of Work section of the RFP, which is incorporated by reference into this Agreement. The Supplier agrees to perform such professional services with the standard of professional care and skill customarily provided in the performance of such services. The supplier agrees to perform these services to the reasonable satisfaction of the University during the term of this Agreement.
3. **Term:** The contract period shall be for an initial time-period through (**Contract\_End\_Date**) (the "Initial Term"), with the option to renew for up to two additional one-year periods of Services (each a "Renewal Term" and together with the Initial Term, the "Term"), through (**Extension\_Date**). Renewal is contingent upon both parties agreeing in writing to do so, based on satisfaction of the price and the Supplier's performance.

The roles and responsibilities of the Supplier are listed in Exhibit A of this agreement.
5. **Wayne State University Wage Rates:** For construction and construction-like work, Wayne State University requires all project contractors, including subcontractors, who provide labor on University projects to compensate at a rate no less than Davis Bacon Wage Determinations (WSU Wage Rates). This includes, but is not limited to new construction, building renovation, and installation of furniture or equipment where a construction trade is used (i.e. installation of audiovisual equipment or furniture requiring electrical or carpentry work). The complete policy regarding WSU Wage Rates can be found at <https://policies.wayne.edu/appm/2-10-prevailing-wage-construction>.
6. **Customer Support:** The Supplier shall have a primary point of contact for the University community. The contact shall be accessible during normal business hours of every business day, 8:00 am to 5:00 pm (Eastern Time).

All subsequent invoices, packing tickets, and other correspondence related to the individual order are to include the unique PO number.
10. **Invoicing:** Deliveries or services shall be invoiced on an individual basis and shall be due thirty (30) days after University's receipt and approval of invoice. The invoices must reference the PO number and be submitted to the University's Accounts Payable department via email address: **wsuinvoices@wayne.edu**.
11. **ACH Payments:** ACH payments are both faster and less costly for Suppliers and the University. As a result, this is the University's preferred payment method. Price increases must be justified by citing the appropriate market indices. Price increases will be reviewed and either accepted or rejected in writing.

As part of this Agreement, the undersigned agrees to the terms of this Confidentiality and Non-Disclosure Agreement (the "NDA") as follows:

1) Confidential Information

For the purposes of this NDA the term "Confidential Information" shall mean any non-public, proprietary or confidential information received by the Supplier, from the University, in the course of providing services as described above, including but not limited to:

- (i) any and all technical and business information of the University and

4) Confidentiality

The undersigned agrees to maintain the confidentiality of the Confidential Information, programs, documentation, and any related materials. The undersigned will not share any information regarding the Confidential Information, programs, documentation, and any related materials with any third party, subcontractor, or independent vendor unless expressly given permission in writing by an authorized University official.

Nothing in this NDA shall be construed to limit or otherwise reduce the University's rights to enforce its terms. No delay or forbearance by the University in enforcing any rights set forth in this NDA shall be construed to operate as a waiver of such rights.
