Care should be exercised in preparation of the proposals since it is the UNIVERSITY’S intent to have the final contract documentation consist of the RFP, VENDOR Proposal, any letters of clarification, and a one or two page enabling Signatory Document and/or Purchase Order.

Unnecessarily elaborate brochures or other presentations beyond those sufficient to present a complete and effective quotation are not desired.

G. Proposal Evaluation

1. Proposals will be evaluated and award will be based on the VENDOR’S ability to offer the best value (quality, past performance and price), and on anticipated quality of service. Items considered include but are not limited to:

- Ability to meet all mandatory requirements and specifications of this RFP;
- Cost of Services; Compensation and Fees; (Schedule C);
- Financial Strength of the VENDOR;
- Proposal Documentation / Presentation;
- VENDOR’S Experience (Exhibit 2);
- VENDOR Profiles/References; (Exhibit 2);
- VENDOR Service Plan; (Exhibit 3);

NOTE: Evaluation Criteria are in alphabetical order and are not stated in order of preference.

VENDOR proposals will be evaluated by a team consisting of members of the UNIVERSITY’S Purchasing and the Business Services Department. A preliminary screening will be used to identify competitive VENDORS who have met the mandatory requirements. Procurement & Strategic Sourcing may subsequently request selected VENDORS to make a presentation at a set time and date, to clarify information provided in the proposals. Final consideration, evaluation, and recommendation may be made at this point. However, the UNIVERSITY reserves the right to take additional time for reference review, site visits and/or proposal negotiations.

2. To qualify for evaluation, a VENDOR’S proposal must be responsive, must have been submitted on time and must materially satisfy all mandatory requirements identified throughout the RFP, in the judgment of the UNIVERSITY. Any deviation from requirements indicated herein must be stated in the proposal specifically under the category “Restricted Services”, and clearly identified as Exhibit 1. Otherwise it will be considered that proposals are in strict compliance with all requirements. Check the box indicating "None" for Restricted Services on the Proposal Certification Schedule A. In those cases where mandatory requirements are stated, material failure to meet those requirements may result in disqualification of the VENDOR’S response.

3. If there are portions of any proposal the UNIVERSITY finds unacceptable or otherwise in need of clarification or revision, the UNIVERSITY reserves the right to clarify or negotiate with any or all VENDORS. Should the outcome of evaluations result in a recommendation, any resulting contract will be subject to the approval of the UNIVERSITY’S General Counsel and must be approved and signed by the appropriate UNIVERSITY representative.

4. After notification of acceptance of proposal and the signing of a resulting agreement and/or Purchase Order, the successful VENDOR will be expected to establish and be in a position to commence work or services on or before October 1, 2015.

Confidentiality and Non-Disclosure Agreement

Wayne State University, hereafter referred to as “University”, has contracted with (Supplier_Name), hereafter referred to as “The Supplier” to supply (Named_Services) and related services to the University under a Service Provider Agreement. As part of this Agreement, the undersigned agrees to the terms of this Confidentiality and Non-Disclosure Agreement (the “NDA”) as follows:

1) Confidential Information

For the purposes of this NDA the term “Confidential Information” shall include any information received by the Supplier, from the University, in the course of providing services as described above, including but not limited to: (i) any and all technical and business information of the University and (ii) information from third parties related to health care services and research.

2) Use of Information

The undersigned hereby agrees not to use Confidential Information for any purpose except in the performance of services as described above.

3) Reproduction of Materials

The undersigned will not retain or transfer any programming, documentation, or any other University controlled or provided software or other materials. No such materials may be copied or reproduced without the University’s express prior written consent, and any copies made shall become the property of the University.

4) Confidentiality

The undersigned agrees to maintain the confidentiality of the Confidential Information, programs, documentation, and any related materials. The undersigned will not share any information regarding the Confidential Information, programs, documentation, and any related materials with any third party, subcontractor, or independent vendor unless expressly given permission in writing by an authorized University official.

5) No Waiver

Nothing in this NDA shall be construed to limit or otherwise reduce the University’s rights to enforce its terms. No delay or forbearance by the University in enforcing any rights set forth in this NDA shall be construed to operate as a waiver of such rights.

6) Vendor Employees and Agents

If the Supplier is not an individual, the Supplier represents and warrants that it has the authority to bind each of its employees, officers, agents, representatives and consultants to the terms of the Agreement. The Supplier shall be responsible for ensuring such personnel are aware of and comply with all obligations imposed by this NDA.

7) Breach of Contract

Any breach of this NDA by the Supplier and/or any of its officers, agents, employees, representatives and/or consultants shall be considered a material breach of the Service Provider Agreement or individual Purchase Order. The Supplier and each of its officers, agents, employees, representatives and/or consultants shall be both jointly and individually liable to the University for damages as a result of any breach of this NDA.
The Supplier acknowledges and agrees that a breach of this NDA may cause continuing and irreparable injury to the University as a direct result of any such violation, for which the remedies at law may be inadequate, and that the University shall therefore be entitled, in the event of any actual or threatened violation of the NDA by the Supplier, and in addition to any other remedies available to it, to a temporary restraining order and to injunctive relief against the Supplier or the undersigned to prevent any violations thereof, and to any other appropriate equitable relief.

8) Governing Law, Modification

This NDA shall be governed by and construed under the laws (other than the choice or conflict of law provisions) of the State of Michigan. Any legal action arising out of or relating to this NDA shall be brought in the Michigan Court of Claims. The provisions of this NDA may not be amended except in a writing signed on behalf of each party.

The undersigned agrees to the specific terms expressed in this NDA.
