BASE PROPOSAL: The undersigned agrees to enter into an Agreement to complete the entire work of the Parking Structure 1 - 2019 Renovations project (WSU Project No. 051-322818 Parking Structure #1 2019 Renovations) in accordance with the Bidding Documents for the following amounts:

$ Dollars
UNIT PRICES:

A. The following schedules of unit prices shall be filled out and submitted as part of the Proposal. Failure to fill in all unit prices may result in disqualification of Bidder.

B. Unit prices stated by Bidder shall include all materials and Work installed and completed in place in accordance with all applicable portions of the Drawings and Specifications, and shall include all costs associated with such items including, but not limited to: materials, labor, supervision, overhead, and profit for General Contractor and/or subcontractors, general conditions, permits, shoring, and other related items.

C. The quantities stated in the Bid Schedule are approximate only and are prepared for comparison of Bids. Each Bidder is responsible for verifying all quantities and shall base his Bid thereon. Payment to the Contractor will be made only for the actual quantities of Work accepted and performed in accordance with the Contract unit prices.

D. Contractor shall not exceed stated Bid quantities without prior written approval from Owner/Engineer. Note: Contractor will not receive payment for un-authorized Work performed (Base Bid or Alternates) that exceeds stated Bid quantities. The Owner reserves the right to delete one or more line items contained within the Work Item Schedules, and/or to increase or decrease stated quantities, to best meet the Owner's requirements.

E. Also, at the discretion of the Owner, the quantities of Work to be performed for each Work Item shall be reviewed and approved by the WSU PM prior to beginning Work, and may be decreased or increased throughout the Project. Refer to Section 020010 for specific Work Item requirements.

F. In the event of a math error occurring on a submitted Bid, (i.e. stated unit price multiplied by stated quantity does not equal stated extension) stated unit price shall be considered basis for Bid to calculate extension.

G. INCREASED OR DECREASED WORK ITEM QUANTITIES:

1. Owner/Engineer shall have right under Contract to make increases and decreases in quantities and changes in plans, as may be necessary to ensure completion of contemplated work subject to following qualifications:

2. As used herein, major item is defined as any item whose total cost, determined by multiplying Bid quantity and Contract unit price, is equal to or greater than 5% of original total Contract price. All other items are considered minor items and are not subject to unit price adjustment.

3. Where cost of final work prior to consideration of adjustment is within 5% of original total contract price, or if amount of adjustment is less than $100, or if item is exempted from such adjustment elsewhere in Contract, no adjustment in Contract unit prices will be considered for any increased or decreased quantities.
4. Where cost of final work has increased more than 5% of original total Contract price prior to consideration of any adjustment, requests for adjustments will be considered on following basis:

H. Where quantity of an item of work required to complete project is not increased nor decreased from original estimate by more than 25%, payment for quantity of said item will be made at Contract unit price.

I. Where quantity of any major item of work is increased by more than 25%, then unit price for quantity of that item of work over 125% of original Contract quantity will be decreased by 10% of unit price bid.

J. Where quantity of any major item of work is decreased by more than 25%, then adjusted unit price will be obtained by multiplying Contract unit price for that item of work by factor obtained as follows:

\[
\text{Factor} = 1 + \frac{0.10 \times (P-C)}{C}
\]

Where:

\( P = \text{Contract Quantity} \)

\( C = \text{Constructed Quantity} \)

K. In no case shall product of adjusted unit price and number of units of work performed exceed product of Contract unit price and 75% of original contract quantity. Neither will unit price be adjusted to more than twice original Contract unit price.

ALTERNATES:

A. The Alternate Work Items listed on the following pages identify potential changes in the Work under consideration for this Contract. The Owner reserves the right to accept any or all of the listed Alternates, regardless of the order of their listing. Alternate items may also be selected and incorporated into the Project with increased or decreased quantities from those listed, to best suit the Owner’s needs.

B. For each of the Alternates listed, state the unit price if the individual Alternate is selected for inclusion in the Contract scope. Amount shown shall include all costs to perform the Work; no extras will be permitted for failure to include, but not limited to, such items as: extra permits, overtime, weather protection, materials, labor, supervision, general conditions, overhead, and profit for general contractor and/or subcontractors, shoring, and other related items.

C. Alternates may be accepted by Owner after initial award. Contractor shall hold prices stated below for possible incorporation into the Project at a later date during construction as determined by the Owner. Alternate Work must be accepted in writing by WSU PM prior to beginning any Work.

D. Any additional Temporary Signage, Temporary Barriers, or Traffic Markings required to properly perform any selected Alternate Work shall be incidental, regardless of the amount of Alternate Work selected.

ADD ALLOWANCES:
A. Allowances shall be included with the Base Bid, as identified on the Bid Proposal form. Any charges against the Allowances shall include a description of the Work, an itemized breakdown for all labor, materials, equipment, and 5% mark-ups (for overhead and profit), and shall be authorized by the WSU PM. Allowances shall be tracked on the payment applications. Any balance remaining on Allowance items shall be deducted from the Contract, by change order, prior to completion of the Project.

B. No Work that is to be billed under Allowance items shall be performed without prior written approval from Owner, no exceptions. Refer to Section 020010 for description of Allowances.

**LAWN REPLACEMENT:** The undersigned agrees that, in the event of existing lawn or landscaping damage, due to the Contractor's work, that has not been properly addressed and repaired to the satisfaction of the University, the University may repair/replace the lawn and/or landscaping, and that the expense will be at a unit cost of $10.00 per square yard for lawn, and landscaping at a rate of 1.5 times the cost of said repairs, the full cost of which shall be reimbursed by the contractor.

**CONTRACT CHANGE ORDERS: (revised 4-17-2017)** The undersigned agrees to the following pricing formula and rates for changes in the contract work:

Where changed Work is performed, the Contractor may add to the total estimated actual cost for such Work no more than ten (10%) for subcontractor mark-up and seven and one-half percent (7.5%) for self-performed trade work for profit, overhead, insurance, taxes, indirect supervision, bonds, and any other costs not allowed by section 4.02.01

Within 14 days of the project's contract execution Contractor shall provide to the Owner; Subcontractor’s hourly labor rate breakdown details. This requirement shall extend to the lowest level of subcontractor participation.

* Job and general overhead includes supervision and executive expenses; use charges on small tools, scaffolding, blocking, shores, appliances, etc., and other miscellaneous job expenses.

** Net labor cost is the sum of the base wages, fringe benefits established by governing trade organizations, applicable payroll taxes, and increased expense for contractor's liability insurance (Workman's Compensation, P.L. and P.D.).

**TIME OF COMPLETION:** (revised 4-01-2011)
The Contract is expected to be fully executed on or about 25 calendar days after successful bidder qualification and recommendation of award. The undersigned agrees to start construction immediately after receipt of a fully executed contract, and to complete the work as follows:

Substantial Completion will be completed no later than PS#1 – August 16, 2019.

**LIQUIDATED DAMAGES:**

It is understood and agreed that, if project is not completed within the time specified in the contract plus any extension of time allowed pursuant thereto, the actual damages sustained by the Owner because of any such delay, will be uncertain and difficult to ascertain, and it is agreed that the reasonable foreseeable value of the use of said project by Owner would be the sum of **$10.00 per parking space per day**, and therefore the contractor shall pay as liquidated damages to the Owner the sum of **$10.00 per parking space per day** for each day’s delay in substantially completing said project beyond the time specified in the Contract and any extensions of time allowed thereunder.

**TAXES:**

The undersigned acknowledges that prices stated above include all applicable taxes of whatever character or description. Michigan State Sales Tax is applicable to the work. Bidder understands that the Owner reserves the right to reject any or all bids and to waive informalities or irregularities therein.

**ADDENDA:**

The undersigned affirms that the cost of all work covered by the following Addenda are included in the lump sum price of this proposal.
